# CREATIVITY AND KNOWLEDGE

MAKE OUR  
WORLD

## ABOUT US

Vishv Books has a complete range of school textbooks and other curriculum supportive books for Kindergarten to Class 8. We also have more than 1500 published titles in different categories like Children's books, Fiction, Non-Fiction, Women focused, Short Stories, Encyclopedias, Dictionaries and World Classics.

We possess well spread infrastructure which includes state-of-the-art printing centers, various offices across India with around 150 employees.

Vishv Books is an associate company of Delhi Press, publishers and proprietors of many magazines in different Indian languages, having the largest circulation in India. Our magazines like Champak and others are the largest selling magazines in their genre.

## OUR POLICY

Vishv Books work on the philosophy of providing books with a scientific focus on the contents and an approach to provide international quality product at a very competitive price.

## PRODUCTION & PRINTING

State-of-the-art printing unit with pre-press, printing, binding and other special printing facilities.

NEP, 2020  
Guidelines

## Books follow NEP, 2020 Guidelines

The content of the books is in line with the latest NEP guidelines with focus on imparting a strong foundation to students. The content is being updated continuously in accordance with the CBSE guidelines.

Teacher  
Support

## Online/Offline Teacher Support

Teacher handbooks and manuals are available for different series. They include worked out exercises, lesson plans, NEP recommended activities, answer keys and a lot more. Flip books, videos and animations available with various series' are helpful teacher resources for both offline and online teaching.

Smart  
Tools

## Resources for Blended Learning

Most of our books are available in digital format and serve best for blended learning or hybrid learning. Many other online and offline resources for classroom and home learning are also available with our books.

Digital  
Products

We have a big library of digital products to supplement our books. These include:

### Foundational Stage
